CHURCH OWNED CARS

If you drive a church owned car for private travel you need to be aware of the following:

HM Revenue & Customs has issued revised Advisory Fuel Rates which are effective from 1<sup>st</sup> December 2021 which apply when you use a church owned car for private travel. If a minister/CRCW reimburses the local church at a rate below the advisory rate the excess is treated as taxable income and is liable to PAYE deductions.

The rates highlighted in yellow are the ones which have changed since the last advisory fuel rates were issued in September 2021.
